CREWSAVER'S

NEXT GENERATION

COMFORT.
STYLE.
PERFORMANCE.

FUSION 3D

THE NEXT LEVEL IN LIFEJACKET DESIGN

A large percentage of the boating world still do not wear lifejackets. As a manufacture of integral safety equipment the challenge for Crewsaver has been to reduce this number through the design of comfortable, stylish lifejackets for the everyday boater, whilst increasing the key safety features for vital in water performance.

The introduction of the new Crewfit lifejacket range means that whatever level you are operating at there is a Crewsaver to suit. Following the success of the ErgoFit lifejacket range, chosen for both its increased comfort and safety factors, Crewsaver proudly announce the launch of the complete lifejacket range. Using the same advanced technology encompassed within the ErgoFit range, Crewsaver now offer comfortable, safe and stylish solutions at every level.

Fusion 3D
The Crewsaver lifejacket range encompasses the most innovative fusion 3D technology, providing users at every price point with the most advanced comfort solutions available to date. The range moulds to the shape of your body and sits off your neck giving the user total freedom of movement – so comfortable you will forget you are wearing it.

The only complete 3D lifejacket range

Whether you seek comfort, performance, functionality, approval, reliability, longevity or strength, we have a Crewsaver lifejacket to suit. Our design team carefully chooses the best and most appropriate materials for each product, ensuring the ultimate in comfort and longevity for the individual environment.

Spray hood includes additional piping and breather holes to keep it off your face and aid visibility

A built in inflatable chin support, comfortably supports your head and keeps your airways clear

Manual oral tube for additional air top up

Built in AIS attachment point, AIS can also be fitted as standard activates automatically on inflation

Built in lifejacket light, whistle and spray hood

Attachment for fitting a PLB

Reflective tape to aid visibility

290N Inflation chamber providing exceptional turning speeds even when wearing heavy clothing

Crotch straps to reduce jacket ride up

Unique bladder distribution providing turning solutions in less than three seconds

The most up-to-date Hammar MA1 and UML pro-sensor operating head which prevents accidental activation by wave splashes

Accessible twin lifting beackets, allowing your crew to get you out of the water as easily as possible

Slim line profile around the neck allowing you to move your arms more freely

It's what's inside that counts

.....

Whatever your circumstances, be sure to choose your lifejacket carefully. Whether you are selecting for yourself, your family, your crew or your work colleagues, you should consider worst-case scenarios and the type of lifejacket everyone should be wearing for their ultimate safety overboard in that environment.

Using our ErgoFit lifejacket as an example (left), we demonstrate the essentials of lifejacket design complete with a guide to our very latest safety features. This will help consolidate your knowledge and allow you to identify the features you need for your own specific use. Then simply pair up the features with our comprehensive lifejacket range to select the very best model for you.

ERGOFIT

Survive, be found, and get recovered

Crewsaver's ultimate lifejacket collection, ErgoFit, was launched in 2012 and has subsequently come to completely redefine safety, comfort and style afloat. The entire ErgoFit collection features an exceptionally high level of construction combined with the looks and practicality to suit the toughest marine environments and the most demanding consumer. Representing over 5 decades of experience gained at the wave face, each lifejacket in the range houses a uniquely crafted bladder to both deliver a faster turn speed and also to keep your airway lifted further above the water for ultimate safety.

ERGOFIT 290^{EX}

Designed exclusively with Abu Dhabi Ocean Racing, based on the highly successful Crewsaver ErgoFit lifejacket collection, the ErgoFit Extreme maintains all of the high specification safety features as the ErgoFit 290N while providing essential performance attributes for the serious ocean racer.

Key Features:

- ✓ Dual buckle system to enable easy donning
- ✓ Easy to adjust side waist adjusters
- ✓ Robust 500D nylon heavy duty cover
- ✓ High quality hanging loop built into the jacket
- ✓ 3D Shape providing the ultimate in comfort and performance
- ✓  A unique number system for teams operating numerous amounts of jackets

ERGOFIT 290^{OC}

The ErgoFit 290N OC is a 3D-moulded lifejacket designed for those working in the most ferocious and extreme marine environments or for serious ocean sailors facing the full fury of the elements. With nowhere to hide when a storm rolls in, it is vital to have the best safety kit on the market. The ErgoFit 290N OC is just that. With its intelligent cut-away profile, it allows you total mobility, leaving your body, limbs and hands unhindered and free to move, work and perform.

Key Features:

- ✓ 3D Shape providing the ultimate in comfort and performance
- ✓ Soft loop D-ring for attaching safety harness
- ✓ Three-layer cover construction for extreme durability
- ✓ Stainless steel buckle for added security
- ✓ Easy to adjust side waist adjusters
- ✓ AIS compatible, activates automatically on inflation

ERGOFIT 190^{OS}

The ErgoFit 190N OS itself is a 3D-moulded lifejacket insert designed to provide those braving the elements offshore, with the extra security needed in all conditions away from sight of land. With its intelligent cut-away profile, it allows you total mobility, leaving your body, limbs and hands unhindered and free to move, work and perform.

Being easy to wear, versatile, stylish and completely functional, it is ideally suited to all those who work in unforgiving offshore environments as well as recreational users under sail or power.

Key Features:

- ✓ 3D Shape providing the ultimate in comfort and performance
- ✓ Soft loop D-ring for attaching safety harness
- ✓ Three-layer cover construction for extreme durability
- ✓ Stainless steel buckle for added security
- ✓ Easy to adjust side waist adjusters
- ✓ AIS compatible, activates automatically on inflation

ERGOFIT 190^{PRO}

The ErgoFit 190N PRO maintains all of the high specification safety features on the inside as the 190N, whilst minimising features on the outside. A 3D-moulded lifejacket with the advanced specification on the inside to excel for all coastal and offshore water users.

With its intelligent cut-away profile, it allows you total mobility, leaving your body, limbs and hands unhindered and free to move, work and perform. Being easy to wear, versatile, stylish and completely functional, it is ideally suited to recreational users and the marine work environment alike.

Key Features:

- ✓ 3D Shape providing the ultimate in comfort and performance
- ✓ Soft loop D-ring for attaching safety harness
- ✓ Three-layer cover construction for extreme durability
- ✓ Dual buckle system to enable easy donning
- ✓ Easy to adjust side waist adjusters

FUSION 3D

CREWFIT

The new Crewfit range are the first lifejackets of their kind in the world to offer; safe, stylish, comfortable and affordable solutions to the everyday recreational boater.

Using the knowledge and experienced we have gained during the development of the ErgoFit lifejacket range, alongside 30 years of experience we have in the design and manufacture of inflatable lifejackets we are able to ensure that every Crewsaver lifejacket encompasses the most advanced and essential safety features at every price point.

CREWFIT 180^{PRO}

The first of its kind, an everyday boating lifejacket designed using 3D technology to radically increase comfort levels. Successful integration of a high volume shaped bladder design, a peninsula chin support and increased buoyancy to 180N provides you with maximum in water performance. The Crewfit 180N Pro wraps all of these safety features into a fun, stylish, 3D shaped and super comfy cover.

Key Features:

- ✓ Indicator window
- ✓ Robust outer cover
- ✓ Twin, forward pull side waist adjusters
- ✓ Crotch strap
- ✓ Soft loop D-ring for attaching harness (Harness version)
