

DINGHY SERIES
4.40

Sailing Easy

The 4.40, has the famous Phileas bilge hull. The quality of hardware leaves nothing to chance. Everything has been designed for easy handling of the boat. The Flex® sails, resulting from the latest generation of regatta sails, are perfect with the tapered mast identical to those used for the 470 regattas. The deck, redesigned in 2010 is a real open space, and very modern. The asymmetrical spinnaker is easily hoisted and the jib is equipped in series with a Harken furler. With the spinnaker, the boat is fixed for easy tacking. The boat is sturdy at the bar, both the rudder and the daggerboard are in reinforced carbon.

STANDARD FEATURES:

- White fiberglass hull, grey deck
- Tapered mast
- Harken blocks
- Fully battened square top Flex mainsail
- Flex jib on furler
- Carbon reinforced rudder blade and daggerboard

OPTIONS:

Spinnaker kit, adjustable trapeze, beach dolley, road trailer

DINGHY SERIES LUDIC

The Ludic is a collective dinghy with an asymmetrical spinnaker adapted to group or family sailing of up to 9 persons! Its open roomy cockpit makes the boarding by the crew very easy, even for youngsters. The double seat and the large space allow everybody to sit in comfort. With its furling jib, double trapeze, Harken blocks, and the pivoting stainless steel centreboard for more stability, The Ludic has a very responsive and tolerant behaviour and meets an increasing success with the sailing schools and families. With more than 10 year experience, the Ludic has become a reference in institutional sailing. Modern and spacious, designed to be easily sailed by two, three or more people. This boat is just perfect for the pleasure of gliding on the water.

STANDARD FEATURES:

- White fiberglass hull, grey deck
- Stainless steel daggerboard
- Dacron square-top main sail with reef points
- Dacron furling jib
- Harken blocks
- Boom vang for more space
- Toe straps and anti-skid

OPTIONS:

Spi area : 17 m² (option)
Weight : 282 kg (daggerboard 70 kg included)
Capacity : 725 kg
Hull construction : Fiberglass
Architect : Philippe Thomé

The pleasure of gliding
together with all your friends

SPORT BOAT SERIES
OPEN 5.00

The sensations of a dinghy,
the stability of a keel boat

Made in the same spirit as the popular Open 5.70, the Open 5.00 is fast, easy to handle and exciting to sail. The architect's and designer's goal for this scaled down state-of-the-art sport boat is to provide a product even easier to sail and handle. While the 5.00 is an amazing one-design racer, it is also geared towards simple day sailing with friends. This handsome vessel is easy to beach and perfect for sailing for fun with summer gatherings where a small manageable boat is the perfect solution. The fun of planing with a 505 together with the stability of a keel boat. The secret of the success is the keel that gives the boat its stability while being completely removable to beach easily for the picnic or to automatically kick-up on any obstacle found under the water and get back to its initial position without any intervention of the crew. The asymmetrical spinnaker with snuffer is very simple to handle. The Open 5.00 benefits from the active and dynamic class association ASOPEN, where the owners share their passion of sailing this wonderful mini Finot plan.

STANDARD FEATURES:

- White fiberglass hull, grey deck
- Removable roof
- Entirely removable pivoting keel
- Fully battened Square top mainsail
- Furling jib
- Harken blocks
- Asymmetrical spinnaker with snuffer

OPTIONS:

Colored hull, beach dolly with balloon wheels, fully equipped road trailer, spare wheel, spare wheel support, lifting stripes, keel lifting system, black anodised engine support, halyard pocket, rowlock in chrome-platted brass.

The planing keel boat

The Open 5.70 is designed for sailors who have enjoyed exhilarating surfing on dinghies or sport catamarans and want to find again the same sensations on a small keelboat. Stark, simple and well manufactured, the Open 5.70 is unsinkable and cannot capsize. The easy to handle asymmetrical spinnaker drives the boat downwind at high speed that can overtake 18 knots. Setting up the boat is very simple : the mast stepping and the launching can be done on your own. For racing or sailing over the weekend, its trailerable size allows to tow it behind your car with a standard car license. As an international OD Class, the Open 5.70 is a fantastic, fast sportboat supported by a friendly and active class association. The Open 5.70 is official support for the French Youth Championships since 2006.

STANDARD FEATURES:

- White fiberglass hull, grey deck
- Fully battened Mylar main sail
- Mylar furling jib
- Harken blocks
- Asymmetrical spinnaker

OPTIONS:

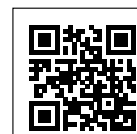

Fully equipped road trailer (with or without brakes), spare wheel, spare wheel support, keel lifting system, black anodised engine support, rowlock in chrome-plated brass.
