# CREWFIT 275N XD

The Crewfit 275N XD offers the ultimate in advanced comfort and performance technologies to date. The modular design creates a comprehensive catalogue including a choice of covers, inflation and harness options.

Fusion 3D technology provides complete freedom of movement and ensures the lifejacket remains comfortable even during long periods of use, whilst the unique design with built in twin waist adjusters allows for easy donning.

Constructed using a heavy duty 500D cover to maintain longevity of the lifejacket. An external indicator window with protective panel and Pro-Sensor or Hammar firing mechanism means the status of the lifejacket can be checked by the user before use.

#### It's what's inside that counts.

The 275N bladder out performs approval and offers 290N worth of buoyancy. The unique buoyancy distribution provides exceptional turning solutions even when wearing heavy clothing. The bladder is highly visible on inflation and hosts an impressive array of features including a built in chin support, location beacon attachment points and dual lifting beackets.

#### KEY FEATURES

- Fusion 3D ergonomic shape for comfort and freedom of movement
- Heavy duty 500D cover
- Indicator window with protection panel and Hypalon retainer
- Twin waist adjusters
- YKK tri point quick burst zip
- Supplied with dual crotch straps

#### OPTIONAL EXTRAS

- Spray hood
- Lifejacket light (CSL)
- McMurdo S20 Smartfind

QUICK BURST ZIP

3D SHAPE FOR UNRIVALLED FIT

EXCEPTIONAL TURNING SPEEDS

INTERTEK

The Crewsaver industrial and commercial range has been developed over many years using only the most advanced fabrics and manufacturing processes. Continuous stringent research and development within the industry has seen Crewsaver products in use worldwide in a diverse range of commercial sectors and institutions. Designed to perform in the most arduous environments, Crewsaver has developed a range that suits all your safety needs.

## BLADDER

- Built in inflatable chin support
- Whistle
- Manual oral inflation tube for additional air top up
- Twin lifting becketts
- CSL light attachment
- S20 AIS attachment point
- PLB attachment point
- Reflective tape to aid visibility
- The 275N inflation chamber outperforms approval and offers 290N of buoyancy.
- Unique buoyancy distribution

Due to Crewsaver's policy of continual improvement, we reserve the right to amend specifications where necessary without notice. Information correct at time of printing.
